AES Online Workshops

Reduce Stress, Travel Less

Live AES*PcLink* Workshops on the Web
Conducted by U.S. Census Bureau, AES Branch Staff

Tuesdays 10:00 a.m. - 12 Noon EDT & 4:00 p.m. - 6:00 p.m. EDT
Thursdays 3:00 p.m. - 5:00 p.m. EDT

Spanish seminars will be offered upon request

Be Prepared… Electronic filing of the paper Shipper's Export Declarations (SEDs) through the Automated Export System (AES) will become mandatory later this year or in early 2006.

AES*PcLink* is free U.S. Census Bureau computer software that allows you to submit required documentation to AES over the Internet in a secure environment.

With AES*PcLink* you can:

- **Complete SEDs at your own pace without tying up your phone line!**
- **Save templates of shipments and company profiles for easy filing!**
- **Add, Retrieve, Correct, or Cancel SEDs from AES!**
- **And much, much more!**

To Sign up for Workshop:

Participation fee is $50.00 per person, payable in advance by credit card **ONLY**. Please pre-register at https://aes-training.webex.com.

You will be contacted for payment information. Once payment is received, your registration will be approved. Login for sessions begins 30 minutes prior to scheduled time.

For Registration and login assistance, please see:
http://www.census.gov/foreign-trade/aes/meetingsandpresentations/index.html

If you are interested in customized training for your company, please email aesmeetings@census.gov
